

EMERGENCY AND EVACUATION INFORMATION

Emergency School Closure:

In case of an emergency, which would warrant the closing of Saint Rose School, the following stations will carry our information:

TV:	Channel 18	~ Roseville Comcast Channel
	Channel 3	~ K C R A
	Channel 10	~ K X T V
	Channel 13	~ K O V R
RADIO:	1320 AM	~ K C T C
	1530 AM	~ K F B K
	105.1 FM	~ K N C I

These announcements will usually read: “Saint Rose Elementary School will not be in session today. Stay tuned to this station for information regarding tomorrow”. Therefore, it will not be necessary to call the school directly on such matters.

Current Evacuation Procedure:

In the event we need to evacuate the students from the school grounds parents will be notified by phone. Therefore, it is imperative that the school office has record of the students' parents most current phone numbers, (work, home, and mobile numbers). Parents/guardians will need to pick up their children in the parish hall/gym by parking in the back lot (the loop) and then walking into the hall/gym to sign the child/ren off campus. A student will not be released to anyone other than his/her own parents, unless we cannot contact the parents/guardians. In this case we will call the emergency contacts listed on the student's emergency card. School staff will remain on school grounds until all the students are picked up. Your promptness in picking up your child/ren will be appreciated. Preparing for this type of action is merely a safety precaution.

In collaboration with the Roseville Police Department, the CSAC is developing new evacuation/lockdown procedures. Watch for more information during the 2009—10 school year.
