## **PARENT GUILD**

The Saint Rose Parent Guild is organized to assist the pastor and the principal in every way possible to provide for the needs of the students and the classrooms. All parents are members of the Parent Guild who give yearly service points:

- to promote active involvement in their children's education
- to build community
- to raise funds

Funds raised by the Parent Guild are used to sponsor spiritual, educational and cultural activities for students, parents, and faculty and for equipment, materials, books, and other supplies which are in the school budget and which will aid the educational work of the school.

Parents build community as they work together on fundraising, assisting in morning loop and lunch time yard duty, cleaning on Saturday Workdays, and earning their service points. While working for the general good, friendships and school pride result.

The officers meet monthly and all (parents) members of the guild are welcome to attend these meetings. At such time that a "general" Parent Guild meeting is called, at least one parent/guardian is expected to attend.
